St Aubyns Mead is a modern development of some 30 town houses and a purpose built block of 12 apartments occupying a popular and prominent location between the coast road and the playing fields of the former St Aubyns School and approached via Newlands Road.

The Village high street with its array of shops, pubs and tea rooms is readily accessible as is the Seafront with bus services running along the coast to Brighton City centre.

No 20 is an end of terrace two storey house having part brick and part tile hung elevations under a tiled roof and being situated at the lower end of the development backing south.

The accommodation comprises three bedrooms, en-suite bathroom, family shower room, sitting room, dining room, kitchen, cloakroom and south facing conservatory. The property has double-glazed windows, gas fired central heating, a south facing rear garden and two garages and whilst presentable the accommodation would now benefit from some redecoration and updating.
